

METRIC GRAPH THEORY

JAIST (Japan Advanced Institute of Science and Technology) Workshop on Metric Graph Theory will take place in Kanazawa, Japan, during November 11-13, 2009.

Organizers:

Michel Deza (ENS, Paris, and JAIST, Ishikawa) and Tatsuro Ito (Kanazawa University) with support of the 7th Japan Conference on Computational Geometry and Graphs
<http://www.jaist.ac.jp/~uehara/JCCGG09/cfp.html>

Confirmed Invited Speakers:

Eiichi Bannai (Kyushu University)

Alexander Ivanov (Imperial College, London)

Sandi Klavzar (University of Ljubljana)

Jack Koolen (Pohang University of Science and Technology)

Yuri Rabinovich (University of Haifa)

Sergey Shpectorov (University of Birmingham)

Egon Schulte (Northeastern University, Boston)

Yaokun Wu (Shanghai Jiao Tong University)

Conference Site: Kanazawa Culture Hall, 15-1 Takaoka-cho, Kanazawa,
5 min. walk from hotel "Toyoko Inn" in the center, where participants will stay.
